

BILL NO. BL2018-1409 (O'CONNELL & BEDNE) - This ordinance would authorize Oliver McMillan Spectrum Emery, LLC to construct, install, and maintain aerial and underground encroachments at 601 Commerce Street. The encroachment would consist of five signs, six canopies, three balconies, seven landscaping grates, multiple bike racks, trash cans, hydraulic and lighted bollards, electrical vaults, score pattern pavement and inlaid brass lettering.

Oliver McMillan Spectrum Emery, LLC has agreed to indemnify and hold the Metropolitan Government harmless from any and all claims in connection with the installation and maintenance of the encroachments, and would be required to provide a \$4 million certificate of public liability insurance with the Metropolitan Clerk naming the Metropolitan Government as an insured party.

This proposal has been approved by the Planning Commission.
